### **THE DUFRESNE GROUP SELECTS VIVID REPORTS™ 2.0 FOR STORIS® ERP**

Winnipeg, MB Canada (December 12, 2009) - Briscoe Solutions Inc., The creators of the Revolutionary Financial Reporting, Analysis, and Budgeting Tool Vivid Reports™ are pleased to announce that The Dufresne Group has selected Vivid Reports for the Storis ERP system.

Dufresne Furniture, one of the largest retailers of furniture and appliances in Canada, required a Financial Reporting and Budgeting Solution to increase the efficiency and speed of their current processes. They chose Vivid Reports, for its ease of use, unrivalled processing speed, and seamless, speedy integration with their current Accounting Software and processes.

**Mike Linton, CFO of Dufresne said,**

***“We were looking for a product that would be reliable, and easy to implement. We installed Vivid Reports in under 30 days, and recognized production gains in our first month. We are looking forward to improving our efficiencies, and allowing us access to data we couldn’t easily get to before. Our user group has been really pleased with Vivid Reports”***

Vivid Reports is compatible with many of the world’s leading ERP Packages, Including: Microsoft Dynamics® GP, NAV, SL, AX, QAD®, SAP® and Epicor®. The impressive roster of publicly traded companies, private businesses, government institutions, and non-profit organizations that trust Vivid Reports to deliver reliable financial information in a timely fashion continues to grow on a daily basis.
